The above student has met with me and explained the mentoring component of the M.A. degree program with Reformed Theological Seminary, Global Education.

I understand that:

- I will be asked to help my student in the areas of personal and ministerial growth on a course-by-course basis.
- This will usually require us to meet at the beginning of each month for about an hour.
- I will help my student in setting goals for each course, in gaining the ministry experience he needs, and in assessing his progress during each course.
- I am looking forward to helping my student become more complete in Christ (Col. 1.28).
- I therefore agree to join with RTS/Global in the training and preparation of the above student by serving as his mentor until he completes his course of study or until further notice.
