Instructions for Installing the BWHEBB Font

You need to install the BibleWorks Hebrew font (BWHEBB) to your font registry in order to see the Hebrew script used in this course. This is necessary to do as one of the first steps of the successful completion of this course.

You can get this font in the Learning Management System (LMS) on the Modules page, included in the head section with the course requirements and course materials. On a PC system, you need to copy and paste the font into the following directory: C:\Windows\Fonts. Just cut and paste, and you are done.

The Mac OS X system uses the PC fonts. Just install the PC fonts into your Mac OS X system as you would any other system font.

For support related to the BWHEBB font, your first efforts should be directed to the following URL: http://www.bibleworks.com/fonts.html. Secondarily, BibleWorks has an extensive user forum that is quite helpful. Thirdly, if all else fails, contact the TA for Hebrew 2.

Protocols

Please observe the following protocols to help this class go smoothly.
E-mail Protocols: When sending miscellaneous e-mail to me or your TA, always put "Heb 1" (without the quotation marks) in the subject line. Sign your e-mail messages.
Workbook Protocols: When submitting your workbook assignments name your file with the following format: LastName_FirstName_Notebook_xx, e.g., Futato_Mark_Workbook_01.

Support

There are several ways of interacting with your professor or his TA. The course contains several discussion forums. There is an Ask the Professor forum for general questions, a Grammar forum for questions about Hebrew grammar, and a Logos forum for questions about the use of Logos Bible Software. Most questions can be answered on one of these forums, and a fellow webmates can benefit from the questions you raise. Personal questions, questions about grades for example, are better handled through e-mail. Video conferencing can also be used for times when more interaction is needed than a discussion forum or e-mail provide.

Grading Scale

I use the Seminary's published grading scale, as follows:

A	100-97	A-	96-94
B+	93-91	B	90-88
B-	87-86	C+	85-83
C	82-80	C-	79-78
D+	77-75	D	74-72
D-	71-70	F	69 and below

At times a question may arise with regard to your grade for the course or for a particular assignment. You are advised to keep all work submitted   for a grade.(Note: A "C" or better is needed in Hebrew 1 in order to move on to Hebrew 2.)

Strong	Knowledge of the linguistic structure of Biblical Hebrew (BH) will be presented and articulated in written and oral assignments.
Scripture	Significant knowledge of the original meaning of Scripture. Also, the concepts for and skill to research further into the original meaning of Scripture and to apply Scripture to a variety of modern circumstances. (Includes appropriate use of original languages and hermeneutics; and integrates theological, historical, and cultural/ global perspectives.)	Strong	The course is primarily concerned with the Hebrew version of the Old Testament as it has been received through the Masoretic Text. BH will be studied as a means to interpretation and exhortation.
Reformed Theology	Significant knowledge of Reformed theology and practice, with emphasis on the Westminster Standards.	Minimal	Reformed notions of the biblical text as inspired and authoritative provide the framework and justification for such a class, however implicit.
Sanctification	Demonstrates a love for the Triune God that aids the student's sanctification.	**Moderate**	Rigorous, prayerful engagement with the biblical text for the purpose of learning, spiritual growth and maturity is encouraged.
Desire for Worldview	Burning desire to conform all of life to the Word of God.	Minimal	Understanding cross-linguistic and cross-cultural communication is crucial to understanding worldview.
Winsomely Reformed	Embraces a winsomely Reformed ethos. Teach	Ability to teach the meaning of Scripture to both heart and mind with clarity and enthusiasm.	Strong	Capacity to work with original languages greatly enhances a student's ability to interpret and teach from Scripture.
Church/World	Ability to interact within a denominational context, within the broader worldwide church, and with significant public issues.	Minimal	Only present in matters relating to cross linguistic, cross-cultural interpretation and articulation of Scripture.
MAR Specific SLO	An ability to integrate such knowledge and understanding into one's own calling in society	Minimal	Again, knowledge of Hebrew enhances knowledge of Scripture and ability to apply this knowledge to society.
