Course Objectives:

The purpose of this course will be to refine our ability to feed Christ’s sheep that heavenly manna which he came from heaven to give-himself. This will be done through the following means:

1. One day of lecture on biblical-theological preaching.
2. Student preaching assignments.  
    a. Each student will preach twice; once on an assigned text from Hebrews 11, and once from a text in Ephesians.  
    b. A full manuscript will be turned in the day the sermon is to be presented. You do not have to read it, just show me you can produce a cogent sermon manuscript.  
    c. Sermons will be evaluated by the instructor and students immediately following sermon presentation. Critiques will be charitable and honest!  
3. Required Reading/Listening:  
    a. Edmund P. Clowney, Preaching Christ in All of Scripture  
    c. Charlie Dennison, Some Thoughts on Preaching (article on reserve)  
    d. Doug Clawson Preaching and Application (tape on reserve)
