COMMUNITY LIFE

Belonging to the RTS family means you are part of the larger community of Jackson and its suburbs. Get to know the community. Cultivate your contacts as a witness for Christ. In the broader community, you are first a Christian and secondarily a seminarian. We hope the following information helps you settle into the larger community.

A. COMMUNITY TIDBITS:

1. **Homestead Exemption**

If you purchase a home while a student, homestead exemption is an important method by which you may reduce your property taxes. Before April 1, take your deed, mortgage amount, interest rate, purchase price, and Mississippi auto tag number to the Hinds County Courthouse to file a claim. Call the Tax Assessor's Office for more details. (601-857-8787) After the first year's filing, only the blue copy of the previous exemption and your tag information is needed.

2. **Check Cashing**

Students may cash up to \$50.00 at the Accounting Office window during regular hours. Checks for larger sums should be cashed at your bank. (Tip: At the Kroger grocery store, you may write a check for more than the purchase amount; 25 cents service charge.)

3. **Voting**

After 30 days residence, you may register to vote at the Courthouse in downtown Jackson. Since voting is by precinct, ask the location of your precinct-polling place, when you register. Voter registration for Clinton residents is at City Hall, 300 Jefferson Street.

4. **License Tags**

Mississippi tags are required to claim a Homestead Exemption. Tags may be purchased at the Hinds County Courthouse downtown Jackson or at the Raymond Courthouse (601-857-5574). Students who do not maintain a Mississippi residence and are not employed in the state of Mississippi may drive with home state tags but should always have a student ID and home state driver's license with them in case they are stopped. Students who obtain a Mississippi driver's license must also get a Mississippi tag.

5. **Driver's License and Automobile Insurance**

Mississippi tags require a Mississippi driver's license. If you are already licensed, a license will be issued after you pass a written examination. Unlicensed drivers must also pass a driving test. Examinations may be taken at the Exam Center at Jackson Square on Terry Road. Study booklets for the license examination may be secured at the Exam Center. Automobile insurance can be obtained locally. Your present insurance agent can make a recommendation for you. For additional information about this, call 601- 987-1287. Liability Insurance is required by Mississippi State Law for all car owners and drivers.

B. City Transportation

1. **Jatran**, the city bus services, travels through the Queens area and also stops at the South Campus on Clinton Boulevard. A \$1.50 fare will take you anywhere. Call 601-948.3840 for information on routes and schedules.
2. **Greyhound Bus Lines**, 300 W. Capitol Street, Jackson, 800-231-2222
3. **Amtrak Railroad**, 300 W. Capitol Street, Jackson, 601-355-6350 or 800-872-7245
4. **Jackson International Airport** – 601-939-5631

I. Schools

Pre-school nurseries and kindergartens are operated in the area by many local churches. Mrs. in Ministry can provide helpful advice about available options.

Jackson and Clinton have separate public school districts. Students need a certified birth certificate, proof of immunization, report card from the previous school attended and two documents with current address (a utility bill, housing lease, for example). Students are assigned by districts. If you live within the city limits of Jackson, call 601-960-8852 to find out your school district. If you live in Clinton, call 601-924-7533. Students should pre-register.

Three Christian day schools are operated by local Presbyterian Churches: First Presbyterian Church in Jackson, Mt. Salus Presbyterian Church in Clinton, and St. Paul Presbyterian Church in Jackson. All are highly recommended.

There are many private schools, both Christian and secular, in the area:
