January Hebrew: What’s Best for You?
The answer to that question is yours to find. If you plan on taking Hebrew in January 2006, you must decide which track you will take by December 1, 2005. Each January, Hebrew I is taught in a two-week intensive class, to prepare you for Hebrew II in the spring and Hebrew III in the fall. Those who elect to take the Advanced Track will be equipped (well, as close as you can get) at the end of their third semester to take Dr. Bruce Waltke’s elective class, Hebrew Syntax. After that you will be equipped to take over the world. Consent of Dr. Futato is required to enroll in the Advanced Track, and you cannot switch tracks “mid-stream.” For more information on which Hebrew class YOU should take, see the informational flyer in the student commons entitled, “January Hebrew: What’s Best for You?”

Want to get a word out? Info must be received by Wednesdays at 5 pm at news.orlando@rts.edu in order to be included in the following Monday’s newsletter, and the IR staff reserves final editing authority. Any Housing or Employment Advertisements should be sent to Adam Young at community.orlando@rts.edu.
