A Guide to Reading
John Calvin, *Institutes*
of the
Christian Religion

John Calvin was born on July 10, 1509. His *Institutes of the Christian Religion* forms one of the greatest articulations of the faith in the history of the church. The Foundation for Reformed Theology invites you to celebrate the 500th anniversary of his birth by reading this entire work in 2009.

The following schedule for doing this is based on John Calvin, *Calvin: Institutes of the Christian Religion*, trans. from the 1559 Latin ed. by Ford Lewis Battles, 2 vols., in *Library of Christian Classics*, ed. John T. McNeill (Philadelphia: The Westminster Press, 1960). In each book, references are given by chapter and section, and page numbers are given in parentheses.
