An examination of the relationship between the church and modern culture and a survey of the history of American Presbyterianism in the past 300 years. Particular attention is given to differing Christian approaches to the relationship of Christ and culture, and to the impact of secularization and modernization on the ministry of the church.

**Course Requirements**

1. Class Attendance and Participation

2. Response Papers (20 %)

3. Denominational Analysis Paper (30 %)
