COURSE DESCRIPTION

This course introduces students to the kind of discipling ministry that can revitalize a church. To begin with an emphasis is placed on the paramount importance of developing a kingdom framework for making disciples. The course then addresses a number of critical considerations that should be pursued in order for a kingdom model to take root and grow. Finally, attention is given to ways in which God changes and empowers a kingdom people as they draw near to Him in worship.

ASSESSMENT TOOLS AND DEADLINES

1. Two page book report on each of the following books:
   a. A Kingdom Model of Discipling, C. Dunahoo
