Evaluation of the Educational Ministry of Your Church (40%)

Conduct a thorough analysis of the Christian Education program the church you currently attend, in 12-15 pages (12 pt. point and double spaced). This evaluation might include the following:

- Find out what kind of educational ministry is happening in all age groups from the nursery up through older adults. Visit a class in each group: children, youth, and adult.
- Interview the key people involved in leading these educational ministries: nursery leaders, children's ministry leaders, youth leaders, adult Christian Education leaders, etc.
- What kind of special educational ministries are there (i.e. ministries to special need or age groups)?
- What philosophy and vision are driving adult discipleship? Are their small groups in the church? If so, what do they do?
- How involved is the (senior) pastor and the session in decisions related to the educational ministry of the church, and how active are they in the educational ministry?
- What are the strengths and weakness of the educational program?
- What recommendations would you make to improve the educational ministry of the church? If you were the pastor (or a member of the session), what changes would you commend to make the Christian Education ministry more effective?

Reading Report (10%)

The student must complete all of the required reading. Reading assignments are broken down week by week within the LMS. As an assignment, the student will be asked to report the percentage of reading they have completed by submitting a reading report with their Name, Course Name, End date, and percentage of reading completed.

Mentor Report/Course Application Paper (5%)

Each Global/Non-Residential student is required to have a mentor submit a report at the end of the course. This report will contribute to 5% of the student’s grade. For students who are not Global/Non-Residential, you are asked to write a 200 word summary of how you perceive what you have learned in this course will fit into the objectives you have for your ministry, your educational goals, or other objectives you wish to achieve in life.
Assignments

All work must be submitted by midnight of the course end date, per your course start letter. You are responsible for turning in all assignments on time; no late submissions are permitted. Any student who needs an extension must get approval from the Registrar prior to that time.
